Gilbert Parker

Embers, Complete Gilbert Parker

I had not intended that Embers should ever be given to the public, but friends whose judgment I respect have urged me to include it in the subscription edition at least, and with real reluctance I have consented. It was a pleasure to me to have one piece of work of mine which made no bid for pence or praise; but if that is a kind of selfishness, perhaps unnecessary, since no one may wish to read the verses, I will now free myself from any chance of reproach. This much I will say to soothe away my own compunctions, that the book will only make the bid for popularity or consideration with near a score of others, and not separately, and that my responsibility is thus modified.
