English Translation of the Greek Septuagint Bible

The Translation of the Greek Old Testament Scriptures, Including the Apocrypha.

Compiled from the Translation by Sir Lancelot C. L. Brenton 1851

"The earliest version of the Old Testament Scriptures which is extant, or of which we possess any certain knowledge, is the translation executed at Alexandria in the third century before the Christian era: this version has been so habitually known by the name of the SEPTUAGINT, that the attempt of some learned men in modern times to introduce the designation of the Alexandrian version (as more correct) has been far from successful.

The history of the origin of this translation was embellished with various fables at so early a period, that it has been a work of patient critical research in later times to bring into plain light the facts which may be regarded as well authenticated." Sir Lancelot C. L. Brenton 1851
