The Democrats and Republicans spar publicly, but the reality is that these two parties have more in common than they have differences. This duopoly is run on corporatist economic policies that benefit the ruling class, at the expense of the workers and the poor. Global hegemony is at the core of the foreign policies of the Dems and the GOP. False Choice is a diary of national and global issues, set against the backdrop of a Connecticut gubernatorial election that was rated as the most negative in the country in 2014.
