THREE WOMEN AND A BABY DADDY...

“A trio of eccentric women and the city of New Orleans come vividly alive in this diverting debut!...**Quirky, irreverent and irresistible.**” —*Publishers Weekly*

You just know a book titled *Green Eyes* delivers all the good stuff--**seduction, envy, Southern charm with all the accompanying treachery** (Scarlett O’Hara had them); and shopping. You heard right—we did say shopping—in Darby Cooper’s case, for the perfect human studhorse, a man who can pass along the gene that gets you into grad school along with the prettiest emerald orbs in Louisiana. Who wouldn’t want that for her kid?

If you're a fan of *Too Jewish*, you’ll remember Darby as the smart, sad kid from the royally messed-up Cooper family, the only daughter of a Holocaust escaper.

Now that it's the 70’s, she’s grown up to be a hoot— still shy and depressed, still baffled and reclusive, in truth still pretty much a trainwreck, but for all that, a woman who knows her way around a sardonic turn of phrase and who dares to become a single mom before it's cool. **The good news? Meet Darby’s precious baby daughter, precocious, green-eyed Honor.**

And the bad? *Oy vey!* That’s in the book too.

It’s **the perfect read for any woman** who’s ever felt ignored, rebellious, under-appreciated, and a little bit green-eyed—hmmm, shall we just say any contemporary woman?

Who in particular will like it: Those who enjoyed the movie “Trainwreck” and perhaps identify a bit too much; fans of Lena Dunham and other screwed-up outsider heroines; everyone who loves New Orleans! And women (men too) partial to dark humor, Jewish fiction, family dramas, and **slyly humorous literary fiction.** Because the humor here is subtle, the characters sharply drawn, the prose razor-honed; the laughs **chuckles rather than guffaws.**

So...not a fun chick lit romp. Those craving “a quick, easy read” or other mental vacation should probably look elsewhere. (We’re not being condescending—just trying to help you make a good decision. For fun chick lit romps, we recommend choosing from our very own booksBnimble website!)

One more tip: *Green Eyes* was originally published by Viking Press as *The Exact Image of Mother*; and it was also briefly called *Too Jewish: The Next Generation*. If you've read either of those, great news--you can move right on to Book Three in the trilogy. *Do Not Open For 50 Years*, The final volume of the Cooper Family Saga, is now available.

AUTHOR’S NOTE: *Green Eyes*, was first published in 1991, almost a quarter of a century before its prequel, *Too Jewish*. **I wanted to tell more of the Cooper family’s story, which meant it got sandwiched between a prequel and a sequel.** So it's a bit different-- I was quite a bit less experienced. But it’s the first

novel I ever wrote, so please be kind! --Patty Friedmann

PUBLISHER'S NOTE: I was a fan when it first came out and I still am. **Take a chance on it!** -- Julie Smith, booksBnimble
