**The Great Divide** Stephen Pern

Print Reviews

At the age of 32, Stephen Pern crossed over from his native England to Antelope Wells, New Mexico. Five months and two weeks later he arrived at the Canadian border. He averaged 16 miles and half a pack of cigarettes a day...

The funniest travel book I've read since Eric Newby...

Tangoes of pure and brash elegance...

Mr. Pern is more than a superb walker. He is a gifted writer...his book is travel writing at its best...

All alone and on foot, Stephen Pern has discovered America...

Reading The Great Divide is like being the companion Stephen Pern didn't take with him....

Poetry and Motion... Pern is a joy to read...

Amazon Reviews

In the tradition of Least Heat Moon's 'Blue Highways' and Bryson's 'In A Sunburned Country' ... Pern takes each encounter and uses it to reflect a bit of the American psyche...

...spilling imagery as brilliant as the mountains he traverses. I felt his pain, I felt his joy. This is a must read.

This book is hilarious at times, actually MOST of the time! I found myself laughing out loud (something very few books have been able to do to me!)...

...compelling reading for anyone considering backpacking even part of the trail - and anyone trying to understand rural America...

Description

Englishman walks from Mexico to Canada along The Great Divide. Lots of pix and maps.

### From reader reviews:

#### **Ruth Jones:**

Reading a book can be one of a lot of task that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people enjoyed. First reading a book will give you a lot of new facts. When you read a guide you will get new information mainly because book is one of many ways to share the information or even their idea. Second, reading a book will make you actually more imaginative. When you reading a book especially tale fantasy book the author will bring someone to imagine the story how the people do it anything. Third, you can share your knowledge to other people. When you read this The Great Divide, you could tells your family, friends as well as soon about yours book. Your knowledge can inspire different ones, make them reading a e-book.

#### **Donna Miller:**

Spent a free time to be fun activity to do! A lot of people spent their free time with their family, or their very own friends. Usually they doing activity like watching television, planning to beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your free time/ holiday? May be reading a book could be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to try look for book, may be the guide untitled The Great Divide can be very good book to read. May be it can be best activity to you.

#### **Peter Holmes:**

A lot of people always spent their free time to vacation or go to the outside with them loved ones or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. In order to try to find a new activity this is look different you can read some sort of book. It is really fun for you personally. If you enjoy the book you read you can spent all day every day to reading a reserve. The book The Great Divide it is very good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. In the event you did not have enough space to bring this book you can buy the actual e-book. You can m0ore very easily to read this book from your smart phone. The price is not very costly but this book features high quality.

#### **Ann Conley:**

In this period of time globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The health of the world makes the information quicker to share. You can find a lot of personal references to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The actual book that recommended for you is The Great Divide this publication consist a lot of the information from the condition of this world now. This particular book was represented how does the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. The actual writer made some analysis when he makes this book. This is why this book suited all of you.
