Am a Church Member seeks to remedy the outbreak of inactive or barely committed church members. It addresses--without apology--what is expected of those who join a body of believers. When a person's attitude is consistently biblical and healthy, matters of giving, serving, and so forth will fall into place more naturally and Rainer's practical work unpacks what that should look like.

No one wants to see a church die. And yet, far too many churches are dying. For more than twenty-five years, Dr. Thom Rainer has helped churches grow, reverse the trends of decline, and has autopsied those that have died. From this experience, he has discovered twelve consistent themes among those churches that have died. Yet, it's not gloom and doom because from those twelve themes, lessons on how to keep your church alive have emerged.

Whether your church is vibrant or dying, whether you are a pastor or a church member, Autopsy of a Deceased Church will walk you through the radical paths necessary to keep your church alive to the glory of God and advancement of Christ's Kingdom!
