## **Google Beta 3** John Selby

Government watchdogs have failed to detect a Stanford-trained scientist performing illegal brain research on humans. Bernardo Bernhardt believes he's being guided by higher forces to subtly redirect the world's political and economic future. Having coerced CIA operatives into his scheme, he's perfected a computer system to broadcast a fine-tuned spray of microwave frequencies that alter a targeted person's thoughts and emotions – in whatever direction Bernardo chooses. Google's gotten wind of this tech breakthrough and sent out a team to obtain the IP and shut Bernardo down. Meanwhile our hero Jack Hadley stumbles upon the theft of an ancient Mayan phallic statue; the thief happens to be Mahalena Bernhardt, Bernardo's twin sister who's struggling to stop her brother from unleashing his terrorist technology on world leaders. Driven to revenge his father's recent murder, Jack teams with Mahalena as their paths converge – at Bernardo's highland Guatemala lab where a shocking climax awaits the duo. Unleashing seemingly-unstoppable white-collar bad guys on the world, this innovative thriller delivers a provocative, insightful, sexy and prophetic preview of our imminent future.

### From reader reviews:

#### **Joyce Coolidge:**

The book Google Beta 3 can give more knowledge and also the precise product information about everything you want. Why must we leave a good thing like a book Google Beta 3? Several of you have a different opinion about book. But one aim which book can give many data for us. It is absolutely correct. Right now, try to closer using your book. Knowledge or data that you take for that, you may give for each other; you may share all of these. Book Google Beta 3 has simple shape but the truth is know: it has great and large function for you. You can look the enormous world by available and read a publication. So it is very wonderful.

#### **Betty Hood:**

What do you in relation to book? It is not important with you? Or just adding material when you want something to explain what the one you have problem? How about your time? Or are you busy man? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Everyone has many questions above. They need to answer that question mainly because just their can do this. It said that about guide. Book is familiar on every person. Yes, it is correct. Because start from on pre-school until university need this Google Beta 3 to read.

#### **Charlie Attwood:**

Nowadays reading books become more than want or need but also turn into a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book that improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want have more knowledge just go with education books but if you want experience happy read one using theme for entertaining such as comic or novel. The Google Beta 3 is kind of publication which is giving the reader capricious experience.

#### **Amy Smith:**

Information is provisions for people to get better life, information today can get by anyone from everywhere. The information can be a expertise or any news even restricted. What people must be consider whenever those information which is from the former life are challenging be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you have the unstable resource then you understand it as your main information you will have huge disadvantage for you. All of those possibilities will not happen with you if you take Google Beta 3 as the daily resource information.
