Adaptive Learning | Powered by PrepU provides students with the practice they want and need – at their own pace and based on their level of understanding. The adaptive nature of PrepU means that each student's experience is personalized and different – so their study time is more effective and efficient, and their retention of course material and success rates increase. Instructors will have a better window into their students' performance – at the individual and class level – so they can identify at-risk students earlier in the course and monitor each student's progress, strengths, and weaknesses.

PrepU is a formative assessment, adaptive learning system – geared to help students learn and retain course material as they progress, It provides a way for students and instructors to adjust teaching and learning as they are happening.
