## **106 BC Births: Cicero** Elanor Obrien

What's so special about Cicero? In this new, compelling book from author Elanor Obrien, find out more about Cicero ... Marcus Tullius Cicero, was a Roman philosopher, statesman, lawyer, orator, political theorist, Roman consul and constitutionalist. He came from a wealthy municipal family of the equestrian order, and is widely considered one of Rome's greatest orators and prose stylists. He introduced the Romans to the chief schools of Greek philosophy and created a Latin philosophical vocabulary distinguishing himself as a linguist, translator, and philosopher. Petrarch's rediscovery of Cicero's letters is often credited for initiating the 14th-century Renaissance. According to Polish historian Tadeusz Zieliński, "Renaissance was above all things a revival of Cicero, and only after him and through him of the rest of Classical antiquity." The peak of Cicero's authority and prestige came during the eighteenth-century Enlightenment, and his impact on leading Enlightenment thinkers such as John Locke, David Hume, and Montesquieu was substantial. His works rank among the most influential in European culture, and today still constitute one of the most important bodies of primary material for the writing and revision of Roman history, especially the last days of the Roman Republic. Though he was an accomplished orator and successful lawyer, Cicero believed his political career was his most important achievement. It was during his consulship that the Catiline conspiracy attempted the government overthrow through an attack on the city from outside forces, and Cicero suppressed the revolt by executing five conspirators without due process. During the chaotic latter half of the 1st century BC marked by civil wars and the dictatorship of Gaius Julius Caesar, Cicero championed a return to the traditional republican government. Following Julius Caesar's death Cicero became an enemy of Mark Antony in the ensuing power struggle, attacking him in a series of speeches. He was proscribed as an enemy of the state by the Second Triumvirate and subsequently murdered in 43 BC. So, what separates this book from the rest? A comprehensive narrative of Cicero, this book gives a full understanding of the subject. A brief guide of subject areas covered in "106 BC Births - Cicero" include - - Cicero - Personal life of Marcus Tullius Cicero - Political career of Marcus Tullius Cicero - Writings of Marcus Tullius Cicero Find out more of this subject, it's intricacies and it's nuances.
