## *My Funny Valentine*

Dianne Williams needs a man. But only for a night. The night of the community center Valentine dinner, to be precise. Exasperated by her children's relentless efforts to get her a date, Dianne finds herself approaching a handsome stranger named Steve and making him an outrageous offer. An offer he doesn't refuse. An offer that might lead to *more* than just one night.

## *My Hero*

Bailey York needs a man. But only on paper. She's writing a romance novel and she's having difficulty creating a hero. So she needs a real-life model for her story. Parker Davidson is perfect, everything a hero should be. But he wants to become the hero in her *life*, not just her book. And not just on Valentine's Day, either!
