**Design for Aging Review 12: AIA Design for Aging Knowledge Community** AIA the American Institute of Architects

This compilation of outstanding designs for assisted living facilities, continued care retirement communities, and nursing homes represents excellence among current work designed by architects for an aging population. A dedicated jury of architects and providers of senior housing services selected the exciting range of projects featured in this, the twelfth volume in the successful Design for Aging series. Each design is illuminated by photographs, detailed plans, renderings and comprehensive project data.
