Project Apostasy: The Development and Propagation of the Trinitarian Doctrine Jesse Acuff

Project Apostasy: The Development and Propagation of the Trinitarian Doctrine is Satan's story. Spurred by his inordinate beauty and consummate pride, he rebelled against his Creator. Undeterred by his categorical defeat, he launched the most blasphemous doctrine to ever invade the Christian Church. Through his evil minions, the Babylonian king Nimrod and his mother-wife Semiramis, Satan developed the Trinitarian Doctrine which was spread worldwide by the Babylonian Mysteries, taken up by the Romish Church, who has been its most ardent disseminator since the 4th century AD. Through the ages this doctrine has become the darling of orthodox Christianity and is taught as fact when there is no evidence of it in the Scriptures. Nevertheless, it has affected millions by keeping them in abject spiritual darkness. A.W. Tozer, in his book *The Knowledge of the Holy*, on page 6, observes, "The essence of idolatry is the entertainment of thoughts about God that are unworthy of Him. He further states, "Wrong ideas about God are not only the fountain from which the polluted waters of idolatry flow; they are themselves idolatrous. Project Apostasy and the Holy Trinity challenges the reader to search out the truth behind the development of the Trinitarian Doctrine. It behooves us to emulate the Bereans who searched the Scriptures daily seeking the truth. It is time that we returned to the Gospel the Apostles first delivered. Jesus quoted the Shema as his creed. "Hear O Israel, the Lord our God is one God. And in John 17: 3 he declared His Father as "the only true God. This is pure monotheism as opposed to the orthodox Trinitarian concept of three-in-one. We should, rather, take up the creed of Jesus and the Apostles and cease from our idolatrous worship of a triune God, a concept never taught in the pages of the Bible.
