The Social Interpretation of the French Revolution

Alfred Cobban

The Social Interpretation of the French Revolution Alfred Cobban

Alfred Cobban's *Social Interpretation of the French Revolution* is one of the acknowledged classics of postwar historiography. Cobban saw the French Revolution as central to the "grand narrative of modern history," but provided a salutary corrective to prevalent social explanations of its origins and development. A generation later this powerful historical intervention is now reissued with a new introduction by the distinguished scholar Gwynne Lewis. It provides students with both a context for Cobban's arguments, and assesses the course of Revolutionary studies in the wake of *The Social Interpretation*.
