55 Techniques to Train your Brain

Our brain is a wonderful thing! It does practically everything we need to do in our daily life, including moving our body, reigning the organs and feeling our emotions. It is probably one of the most - or the most - complicated 'control centers' existing on this earth. The only down thing: the brain declines slowly as we grow older. Thus making our lives more difficult than need be. We all know about the benefits of training. To get better at anything we need to train. That's why this book is for you...
