Dracula (Annotated) With New-Original Sketches and Photographic Compositions & Forward by Robert McCoin Jr.: Forward by Robert McCoin Jr. Bram Stoker

This version of Dracula contains new-original artworks. Parenthetical comments, will be located within the text and are highlighted yellow.

My favorite quotations will be highlighted also.(This version of the book is based on the writing initially published by Archibald Constable and Company in 1897. Many obsolete words have been replaced with modern terminology as to make for easier reading and comprehension. Also there are various parenthetical notes added to the text to explain esoteric concepts.)
