Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case.
