We live in an age of spiritual generics, counterfeits, and false prescriptions. We need the ability to discern God's voice, regardless of whether it is delivered via a ministry newsletter, a shiny new book, a Christian music album, or a pulpit preacher. How can we get the discernment we need to distinguish whether a message, ministry, or strategy is truly from God?

This thoughtful book by the executive producer of the award-winning video Transformations shows believers how they can spot seven "divine trademarks" to identify any work of God. While the list is not exhaustive, believers are assured that these seven trademarks will always be present in any true product of heaven. As we learn to seek out God's trademarks, we will better be able to distinguish the incandescence of certain messages, ministries, and strategies from the brightness of divine light.
