Managerial Economics, 4th Edition

Ivan Png

Managerial Economics, 4th Edition Ivan Png

Now in its fourth edition, Ivan Png's Managerial Economics has been extensively revised with :

- a completely new introductory chapter emphasizing decision-making and behavioral biases
- intensive application to current issues including the sub-prime financial crisis and global competition
- streamlined presentation focusing on the economics that managers need to know.

As always, the text presents the key concepts of micro-economics intuitively, without requiring any sophisticated mathematics. Throughout, it emphasizes actual management application, and links to other functions including marketing and finance.

The new fourth edition is updated with fresh up-to-date discussion questions from all over the world and enhanced with detailed instructor supplements. It is an ideal text for any course focusing on the practical application of micro-economic principles to management.

Truly useful economics for managers.

An accompanying website, featuring a wealth of supplementary material, is available at <http://www.comp.nus.edu.sg/~ipng/ed4.htm>

From reader reviews:

Christi Ross:

As people who live in often the modest era should be up-date about what going on or data even knowledge to make these keep up with the era which can be always change and move forward. Some of you maybe will certainly update themselves by studying books. It is a good choice for yourself but the problems coming to an individual is you don't know which you should start with. This Managerial Economics, 4th Edition is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

David Hernandez:

Precisely why? Because this Managerial Economics, 4th Edition is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will jolt you with the secret the idea inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content inside of easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of advantages than the other book possess such as help improving your expertise and your critical thinking approach. So , still want to postpone having that book? If I were being you I will go to the publication store hurriedly.

Barbara Shephard:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's internal or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Managerial Economics, 4th Edition can make you really feel more interested to read.

Kristen Hamilton:

Reading a reserve make you to get more knowledge as a result. You can take knowledge and information from your book. Book is prepared or printed or highlighted from each source that filled update of news. In this particular modern era like at this point, many ways to get information are available for you actually. From media social like newspaper, magazines, science e-book, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you ready to spend your spare time to open your book? Or just looking for the Managerial Economics, 4th Edition when you essential it?
