For the first time ever, super sleuth Harley Hill is due to meet her mysterious parents, but when a young girl sees an interview with Harley on TV about her crime solving skills, Harley is torn. Should she go to America to meet her parents, or stay to help the young girl who appears homeless and desperate in the search for her own missing father?

Torn, Harley decides she can manage both. But when she and her business partner, Cordelia Silvers, and their two sleuthing pets, Monty and Max, start their investigations, they soon realize that this is no ordinary missing persons case. It's actually a murder case!

It doesn't take long to identify a number of suspects, from a business rival and jazz club owner, a high-society museum curator, and a bad boy biker with a secret. Faced with her impending meeting with her parents, Harley must use all her skills if she is to uncover the murderer.

Harley Hill 4 is a non-violent, and non-bad language story featuring humor, cute pets, cakes, and a string of clues for the reader to follow along with Harley's investigations.
