Shadows of Darkness (Order of the Blade) Stephanie Rowe

Hailed as a "paranormal star!" by J.R. Ward, *New York Times* bestselling author Stephanie Rowe continues to rivet readers with her sizzling Order of the Blade series about Calydon warriors, the intensely passionate immortals who have amassed their own "cult following"* with readers. Now comes their newest story, an explosive adventure in which passion ignites between a sinfully sexy immortal assassin on a final mission, and the woman fated to destroy him.

Chained to an ancient meat hook in an abandoned underground cave for over a century, former assassin Levi Hart has been focused on only one thing: surviving long enough to destroy the psychopath who once controlled him. His chance at freedom comes in the form of a sensual, desperate woman who will trade freedom for his services, the one thing he can't afford to give.

She is Maya Brennan, the achingly sensual queen of a kingdom sunk into a curse of darkness and destruction. Born to serve her people no matter what the cost, Maya cannot afford the all-consuming passion that Levi ignites in her, but without him, she has no chance to save those she loves. Will their need for each other propel them into their final destruction, or can love shatter the bonds fated to destroy them both?
