The Temptation Trap, Book One (An Alpha Billionaire Club BBW Romance) Alexa Wilder

Introducing Book One of The Temptation Trap, the long awaited follow-up to The Wedding Rescue and The Courtship Maneuver. If you've been waiting for Axel's story, this is it!

Emma Wright is in over her head. Three months ago her life was perfect: amazing job, shiny new MBA, great friends. When her job turns into a nightmare overnight, Emma feels like her life is going down the tubes. The only bright spot is her hot new boyfriend. He's the man of her wildest dreams; sexy, smart, sweet, and a master of her body between the sheets. He can't seem to get enough of her full-figured curves, so it's too bad she's starting to think he's keeping dangerous secrets.

Axel Sinclair likes control. At work, at home, in bed. He gets what he wants, and he never loses. Not until he meets Emma Wright, and she turns his well-ordered life upside down. Emma was supposed to be a job - getting his hands all over her luscious body was only a bonus. Before he knows it, Axel is in deep.

Axel is sure Emma's guilty as hell. Can he do his job and bring her down? Or will he follow his heart and claim her for his own?

BOOK ONE EXCERPT:

Emma Wright was becoming a problem. She was supposed to be a job. An easy job. Get close to her, find evidence that she was selling confidential data to a competitor. Get paid a ton of money. How hard could it be? She was the head of Human Resources at a shipping company, not Mata Hari. This kind of thing was the bread and butter of Sinclair Security. I figured I'd take the meeting and pass the case to one of my guys. Then I got a good look at Emma Wright. Fiery red hair, creamy skin, abundant curves, and clear blue eyes with a wicked glint. She was irresistible. Luscious, soft, and more than a handful in all the right places. The moment I saw her picture, I knew I'd be handling her myself. Sleeping with the suspect wasn't usually my MO, but in this case, I was prepared to make an exception. Normally, my approach was to get the evidence, give it to the client, close the case, and cash the check. Not with Emma. Getting her into bed wasn't the hard part. Neither was pretending to be her lover. But Emma was tricky. She was smart. Funny. Gorgeous. And surprisingly kinky. Deliciously kinky. I'd never admit it, but it's possible I was taking my time on the case just to have an excuse to keep her in my bed.
