The Explorations of William H. Ashley and Jedediah Smith, 1822-1829 Harrison Clifford Dale

William H. Ashley's expedition up the Missouri River in 1822 met with misfortunes that forced far-reaching changes in the fur-trading operations of the West. His claim to fame as an entrepreneur and explorer is clear in *The Explorations of William H. Ashley and Jedediah Smith*. Just as vivid is the story of the Bible-quoting Jedediah Smith, a member of Ashley's original expedition, who branched off into little-known regions, becoming the first American to reach California by an overland route.

In his introduction, James P. Ronda supplies the historical context for their explorations. A professor of history at the University of Tulsa, he is the author of *Lewis and Clark among the Indians* (1984) and *Astoria and Empire* (1990).
