Integrity in the Public and Private Domains

Integrity in the Public and Private Domains

Integrity in the Private and Public Domains explores the issue of public and private integrity in politics, the media, health, science, fund-raising, the economy and the public sector.

Over twenty essays by well-known figures such as Amelie Rorty, David Vines, the late Hugo Gryn, Alan Montefiore and Hilary Lawson present a compelling insight into debates over integrity today.

A key chapter of the book concerns the highly publicised donation to Oxford University by Gert-Rudolf Flick, an issue which attracted wide media attention by raising questions of fund-raising and the holocaust.
