Disasters occur unexpectedly. Everyone, both rich and poor, suffer from the same effects and even lose lives in extreme cases. What makes the difference is the level of preparation done in facing these significant events. Some people tend to be complacent because they live in disaster-safe locations. Living in a large, professionally-constructed home in luxurious communities make some people feel as if they are invincible from disasters. Of course, a quality property in a safe location makes its occupants feel a lot safer and more confident that their assets are protected.
