## A Spenser Chronology (Author Chronologies Series) W. Maley

'...a valuable and welcome book; it belongs in any library that has pretensions of supporting Spenser scholarship.' - Russel J. Meyer, Spenser Newsletter A Spenser Chronology is the first serious attempt to map out in concrete detail all of the known facts concerning the poet Edmund Spenser, a major canonical author whose entire literary career was spent in Ireland. This book charts Spenser's parallel vocations of Elizabethan planter and Renaissance writer, outlining the activities, appointments and whereabouts of a prominent Irish colonist, and shedding new light on the life of one of the most important figures in English literary history.
