## **How to Succeed in College** Robert J. DiYanni

Provides clear-cut, no-nonsense discussions that describe what college students need to know to get the most out of a college education. Readers of How To Succeed in College will gain practical advice about grades, syllabi, courses, and graduation requirements in the context of acquiring a solid education. The book encourages careful consideration of the time, energy, and money invested in a college education and thus provides practical advice on setting goals and how to go about achieving them. The first part of the book is focused on getting oriented academically focusing on adjusting to college work, learning how to manage time, and information on how to work with professors. Part Two provides tools for developing confidence and competence in reading, taking tests, and improving study skills. Part Three offers advice about choosing a major and planning an organized course of study. Throughout the book includes activities designed to actively engage the reader including TAKING STOCK sections, which invite self-assessment, USING YOUR IMAGINATION sections which encourage speculative thinking, and EXERCISES which provide opportunities to implement what has been learned. New college students of every age and background; course is found in various departments including student and academic services, freshman orientation, and other academic disciplines.

#### **Herbert Mikula:**

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or to make a summary for some publication, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So, this How to Succeed in College can make you really feel more interested to read.
