Tiki Gardens Coloring Books are great for keeping your mind sharp while sipping on a Mai Tai or other tiki drink.

Brought to you by the publishers of Beach Bum Berry's Grog Log, the editors know a thing or two about tikis, cocktails and keeping yourself occupied while you slip into a rum-induced coma. The drawings are not so simple as to insult your intelligence, yet not so complex that your fuzzy eyes cannot see the lines. Great for the casual coloring enthusiast or tikiphile.
