Vampire Romance

Sadie Evans has a problem... several actually. First, she's a vampire with an over-controlling master that hasn't let her outside his home in over 100 years. When a vampire hunter kills him, she's free at last but completely lost in the modern world. She returns to her Louisiana home, hoping to find some peace and maybe a new man to spend eternity. What she finds is Seth Chedetol, a built for sex, dirty-talking, tough as nails alpha male, hoping to make Sadie his just so he can wipe the snotty look off her face the first time they meet.

As Sadie comes to terms with the modern world, and Seth, she must face overcoming her own fears and a near death experience as she navigates her way through her new life. Will Seth accept who and what she is? Would she change what she is if offered the chance? To find true happiness Sadie is going to have to take a leap of faith and be sure of what she truly wants. Is it Seth and life as a vampire or is it as a human being with all of the problems that come with mortality? Only Sadie can decide and she knows, no matter what, her life will be forever changed.
