Wide Open Sky: M/M Western Straight to Gay First Time Romance (Sam & Chris Series Book 1)

Jerry Cole

Now in his late twenties, Sam's been taking longer than most people to figure himself out. His life has mostly rattled along aimlessly from boarding school and university into an on-and-off career as a voice actor aspiring to the stage, but he knows he needs something more. When, on a rainy day in London, he sees an advertisement for River Valley Ranch, for some reason it seems like a good idea.

He isn't sure what he was expecting from his summer sojourn in the Southern USA, but it certainly wasn't a family of gorgeous, yet out-of-place Australians, among whom Chris, the middle brother, seems to take a particular fancy to Sam. Sam's been pretty sure for a while that he might be interested in men, but Chris, big and blond and handsome, confirms everything Sam had suspected. The only problem is that Chris seems to have endless girlfriends and is also, Sam's sure, a bit of an idiot. Sam tells himself that he didn't come to River Valley for a romance, and if it's a bit disappointing in various aspects, the scenery more than makes up for that.

As time wears on, though, Sam begins to see more of Chris, and to think maybe he hasn't been imagining the way Chris' attention lingers on Sam more than any of the other guests. The worst part is, it seems that Chris actually isn't an idiot at all, but a sweet, gentle guy with his own confusions and misplaced ambitions. Could it be that Chris has an interest in Sam after all? And could Chris be the turning point Sam's been looking for?

Please Note: This book contains Adult Language & Steamy Adult Activities, it is intended for 18+ Adults Only. Novella, approx. 25,000 words in length. Does not end with a "cliffhanger", but will leave you wanting more (sequel out shortly!).
