Lucas and Glory are hard at work in WICA (Witchkind Intelligence and Covert Affairs). As part of their training, they learn more about the witch-terrorist organization Endor. It is believed that Endor has infiltrated a boarding school for young witches in Switzerland, so WICA sends their two youngest agents--Lucas and Glory--to the school undercover. There, they learn more about an experimental brain implant that blocks the power of the fae. It's a dangerous procedure...more so than they could ever have imagined.
