Bates Pocket Guide to Physical Examination and History Taking - 6th edition

This concise pocket-sized guide presents the classic Bates approach to physical examination and history taking in a quick-reference outline format. The book features a beautiful full-color design with over 500 drawings and photographs and an easy-to-follow two-column format with examination techniques on the left and abnormalities and interpretations on the right. Highlights of this edition include greater emphasis on patient communication and interview techniques, a new chapter on the older adult, and new drawings and photographs of abnormalities.
