Now and on Earth

Jim Thompson

Now and on Earth Jim Thompson

San Diego in the years before World War II. James Dillon is barely scraping by working a menial job in manufacturing, trying to raise a family and support his elderly mother and sister Frankie at the same time. He drinks too hard--just like his father and nearly everyone in his extended family. With so many people crammed into one home, sometimes there's so much fighting he can barely stand it. But if James can survive the chaos of everyday life long enough, maybe--just maybe--there's a chance it'll all get better.

NOW AND ON EARTH, Jim Thompson's first novel, draws on personal experience to depict a hardscrabble life in the sun-soaked streets of mid-20th century California. Chronicling the birth of a writer and the plight of the working man, it prefigures the American classics that followed, in a deeply-felt, autobiographical tale that shows a writer just coming into his own.

From reader reviews:

Bernard McLaren:

What do you regarding book? It is not important together with you? Or just adding material when you want something to explain what the one you have problem? How about your time? Or are you busy individual? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Every individual has many questions above. They should answer that question because just their can do which. It said that about reserve. Book is familiar in each person. Yes, it is appropriate. Because start from on guardería until university need this Now and on Earth to read.

Janet Smith:

Information is provisions for those to get better life, information today can get by anyone with everywhere. The information can be a knowledge or any news even a concern. What people must be consider whenever those information which is within the former life are difficult to be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you receive the unstable resource then you get it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Now and on Earth as your daily resource information.

Claudia Fox:

Why? Because this Now and on Earth is an unordinary book that the inside of the book waiting for you to snap the item but latter it will jolt you with the secret it inside. Reading this book next to it was fantastic author who have write the book in such incredible way makes the content inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking way. So , still want to hold off having that book? If I were being you I will go to the book store hurriedly.

Jeremy Turner:
