The Gospels from the Holy Bible, King James Translation

This book contains the Gospels of Jesus Christ in the King James Version (KJV). The Gospels or "Good News" are comprised of the books Matthew, Mark, Luke, and John. Together they show us the story of Jesus, His miraculous birth, His life and teachings, and His death on the cross. It is ultimately a story about love -- the love of Christ for every human being, the love that required the sacrifice of Jesus for the redemption of mankind.

This ebook features the ability to search every verse. Because every verse is uniquely labeled, you can quickly jump around the text. For instance, to get to John 3:16, you simply search for "joh3.16" and the search feature will take you there quickly.

Another great feature is the ability to always know where you are in the Gospels because every verse is labeled. No more scrolling back and forth to find a chapter heading.
