Charlottesville (Images of America Series)

Eryn S. Brennan, Margaret Maliszewski

Charlottesville (Images of America Series) Eryn S. Brennan, Margaret Maliszewski

Nestled in the foothills of the Blue Ridge Mountains, the city of Charlottesville thrives amidst numerous tangible reminders of an incredibly rich history. Founded in 1762, the heart of early Charlottesville was the stage for some of the most important figures in early American history, including Thomas Jefferson, James Madison, and James Monroe. Growing side by side with Jefferson's University of Virginia, Charlottesville developed into a bustling community whose businesses, families, and celebrations were well documented in photographs beginning in the 1880s. The collection of images reproduced in Images of America: Charlottesville tells the story of the creation, growth, hardship, transformation, and success of a city beloved by residents and visitors alike.
