Founding St. Louis:: First City of the New West

J. Frederick Fausz

Founding St. Louis:: First City of the New West J. Frederick Fausz

The animal wealth of the western wilderness" provided by talented "savages" encouraged French-Americans from Illinois, Canada and Louisiana to found a cosmopolitan center of international commerce that was a model of multicultural harmony. Historian J. Frederick Fausz offers a fresh interpretation of Saint Louis from 1764 to 1804, explaining how Pierre Lacl de, the early Chouteaus, Saint Ange de Bellerive and the Osage Indians established a "gateway" to an enlightened, alternative frontier of peace and prosperity before Lewis and Clark were even born. Historians, genealogists and general readers will appreciate the well-researched perspectives in this engaging story about a novel French West long ignored in American History."
