## **Jesus - The Man and His Mission** Robert Macklin

The distinguished historian and biographer Robert Macklin throws a new and inspiring light on the life of Jesus Christ and the role of Judas Iscariot on the most momentous day in human history.

For too long the reality of Jesus' life and times has been removed from history and buried beneath the mythology and dogma of the Roman Catholic Church. But it is the human story that lies at the heart of Christian devotion more than 2000 years since the fateful day of his crucifixion. In the desperate confusion of that day, Judas was called 'traitor'. But never by Jesus himself.

Now for the first time, in the words of the Bible itself, the truth is revealed in all its pain and glory.

In this 21st century when Christianity is under fire throughout the world, it is a message that will give heart to a new generation of seekers for the truth.
