Jean-Dominique Bauby

La Escafandra y la Mariposa: Un Sobrecogedor Testimonio Sobre Los Limites De La Naturaleza Humana (Spanish Edition) Jean-Dominique Bauby

El 8 de diciembre de 1995, un grave accidente cardiovascular sumio a Jean-Dominique Bauby en un coma profundo, del que salio semanas despues con el cuerpo completamente paralizado pero con las facultades mentales intactas. Padecia el sindrome de cautiverio, una extraña dolencia que provoca una paralisis completa, un encierro en uno mismo, como dentro de una escafandra. Solo podia abrir el ojo izquierdo y su unica ventana al mundo era el parpadeo. Podia oir, comprender, recordar, pero no hablar. Tambien estaban intactas su imaginacion y su memoria: la mariposa. Con su ojo componia palabras, frases y paginas enteras. Primero memorizo y luego dicto todo el libro, letra por letra. De esa manera, Bauby dejo constancia de su existencia y de sus reflexiones en esta breve pero inmensa obra sobre los limites de la dimension humana, y a traves de la escritura prolongo su vida fuera de el, fuera de su cuerpo.
