Supplement to "Walt Whitman: A Descriptive Bibliography" (Iowa Whitman Series) Joel Myerson

Focusing on actual publications *by* Whitman rather than those *about* him, Joel Myerson's painstakingly compiled supplement to his 1993 *Walt Whitman: A Descriptive Bibliography* (Oak Knoll, ISBN 0-82293-739-5) includes almost twenty years of newly discovered and updated materials that will be invaluable to Whitman scholars. The entries describe in detail the various forms of Whitman's books, newspaper articles, broadsheets, reprints, translations, and so on. Myerson includes facsimiles of title pages as well as information on pagination, illustrations, dimensions, contents, publication history, typography, paper, binding, and dust jackets.

The sections incorporate the following: all books and pamphlets written wholly by Whitman through 1892, the year of his death, and all editions and reprintings in English through 2009; all collected editions of Whitman's writings through 2009; all miscellaneous collections of his writings through 2009; all books in which material by Whitman appears for the first time; all first American and English publications in newspapers and magazines of material by Whitman through 2009; all proof copies as well as circulars and broadsides of his poetry and prose published during his lifetime; prose and poetry by Whitman reprinted in books and pamphlets through 1892; separate publications of individual poems and prose works through 2009; and references to possible publications by Whitman that are not dealt with elsewhere in the bibliography. The volume is thoroughly indexed.

Based on evidence gathered from personal inspection of multiple copies of Whitman's works in American, Canadian, British, and New Zealand libraries, Myerson's *Supplement* exemplifies the highest standards of bibliographic research.
