America, The Daughter of Babylon Allen Bonck

America, the Daughter of Babylon deals with the prophetic future of the United States of America. The Bible reveals that there will be a second nation of Babylon, which is described in detail throughout scripture and can be identified as America. The bible not only identifies America, but also gives detailed accounts of future events concerning her. God has much to say to us today about our relationship to Babylon and the Babylonian religion. This book reveals that many of the symbols of the Babylonian religion that was created by Lucifer himself, King of Babylon, are displayed as American symbols throughout her Capitol. Its cornerstone to the founding of Babel directly links the American Capitol itself.
