Conflict Mastery: Questions to Guide You Cinnie Noble

This book is about expanding perspectives on common aspects of conflict experiences – before, during, and after they arise – through the use of reflective questions and commentary. Metaphors, plays on words, and other questioning methods invite readers to think and feel differently about these aspects and try new and different ways of viewing and being in conflict. The questions are also designed to expand the quest to become more conflict masterful by making the route there more interesting and positive.
