## **Rescuing Ambition (Foreword by C. J. Mahaney)** Dave Harvey

Many think of ambition as nothing more than the drive for personal honor or fame. As a result, ambition—the God-implanted drive to improve, produce, develop, and create—is neglected and well on its way to paralysis.

For some, dreams are numbed. For others, there are no dreams; life just happens. And for those who are dreaming, motives are often confused. One thing is certain: ambition needs help.

Dave Harvey is calling for a rescue. He wants to snatch ambition from the heap of failed motivations and put it to work for the glory of God. To understand our ambition, we must understand that we are on a quest for glory. And where we find glory determines the success of our quest.

Has your God-given ambition been starved and sedated for too long? Are you ambitious? It's time to reach further and dream bigger for the glory of God.
