Panoramas Literarios Espana Beverly Kienzle, Teresa Méndez-Faith

Developed for use in upper-level courses and written entirely in Spanish, this anthology introduces students to Peninsular literature. Representative works by major literary figures in a variety of genres (fiction, poetry, drama, and essay), exemplify important literary movements from the Middle Ages to the present. This text is part of a two-volume anthology that can be used separately or in conjunction with its companion volume, *Panoramas literarios: America hispana*.
