Cosmos' Promise: Cosmos' Gateway S. E. Smith

New York Times and USA TODAY Bestselling author of Science Fiction and Paranormal Romance brings another action, adventure, and suspense-filled story to transport readers out of this world.

Cosmos Raines is considered to be one of the most brilliant inventors in the world. A prodigy, he is a self-made billionaire who would rather be in his lab than jet-setting around the world. Things change when his latest experiment literally opens a Gateway into a whole new world.

Now, not only has his best friend and her family moved to a new star system through the Gateway he has opened, but he finds himself with a warehouse full of alien guests, including one very aggravating female that has turned him inside out.

Terra 'Tag Krell Manok has spent her life in the shadows of her three older brothers. Her home world of Baade is a male dominated world where females are few in numbers and protected to the point of captivity. Terra's father is the high chancellor of the Prime and considered to be the fiercest warrior of their world next to her brothers. No one defies him and lives.

Terra is surprised when her father suddenly sends her through the Gateway into hiding to protect her from a clan insisting that she be mated for political purposes. The last thing she expects to find there is her bond mate - in the form of a human male!

Cosmos may not have been expecting to find the woman of his dreams on the other side of the Gateway he built, but he knows one thing for sure - no one is going to take her away from him - not the clan who wants to use her nor her father who thinks all human males are worthless. When she is taken from him, he will use every bit of his intelligence and ingenuity to not only track her down, but steal her back. He will prove that human males can be just as much a warrior as a Prime one, especially when it involves the woman he loves.

From reader reviews:

Lewis Lin:

Playing with family in the park, coming to see the coastal world or hanging out with buddies is thing that usually you could have done when you have spare time, subsequently why you don't try matter that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Cosmos' Promise: Cosmos' Gateway, it is possible to enjoy both. It is very good combination right, you still desire to miss it? What kind of hangout type is it? Oh occur its mind hangout fellas. What? Still don't understand it, oh come on its referred to as reading friends.

Rita Dubois:

Your reading 6th sense will not betray a person, why because this Cosmos' Promise: Cosmos' Gateway book written by well-known writer whose to say well how to make book which might be understand by anyone who else read the book. Written within good manner for you, dripping every ideas and producing skill only for eliminate your hunger then you still skepticism Cosmos' Promise: Cosmos' Gateway as good book not simply by the cover but also through the content. This is one publication that can break don't ascertain book by its protect, so do you still needing another sixth sense to pick this!? Oh come on your reading through sixth sense already told you so why you have to listening to another sixth sense.

Velda Thornley:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Cosmos' Promise: Cosmos' Gateway can make you really feel more interested to read.

Shirley Glover:

Book is one of source of know-how. We can add our understanding from it. Not only for students and also native or citizen will need book to know the up-date information of year to be able to year. As we know those ebooks have many advantages. Beside all of us add our knowledge, may also bring us to around the world. From the book Cosmos' Promise: Cosmos' Gateway we can consider more advantage. Don't you to be creative people? To get creative person must prefer to read a book. Just simply choose the best book that ideal with your aim. Don't possibly be doubt to change your life with that book Cosmos' Promise: Cosmos' Gateway. You can more inviting than now.
