Globalization and the Decolonial Option

Globalization and the Decolonial Option

This is the first book in English profiling the work of a research collective that evolved around the notion of "coloniality", understood as the hidden agenda and the darker side of modernity and whose members are based in South America and the United States. The project called for an understanding of modernity not from modernity itself but from its darker side, coloniality, and proposes the de-colonization of knowledge as an epistemological restitution with political and ethical implications.

Epistemic decolonization, or de-coloniality, becomes the horizon to imagine and act toward global futures in which the notion of a political enemy is replaced by intercultural communication and towards an-other rationality that puts life first and that places institutions at its service, rather than the other way around.

The volume is profoundly inter- and trans-disciplinary, with authors writing from many intellectual, transdisciplinary, and institutional spaces.

This book was published as a special issue of *Cultural Studies*.

From reader reviews:

David Martin:

Nowadays reading books become more than want or need but also turn into a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The info you get based on what kind of book you read, if you want have more knowledge just go with schooling books but if you want experience happy read one with theme for entertaining such as comic or novel. The actual Globalization and the Decolonial Option is kind of guide which is giving the reader unstable experience.

Thomas Fleischmann:

Why? Because this Globalization and the Decolonial Option is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will surprise you with the secret it inside. Reading this book beside it was fantastic author who also write the book in such incredible way makes the content on the inside easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of positive aspects than the other book include such as help improving your talent and your critical thinking approach. So , still want to hesitate having that book? If I were you I will go to the guide store hurriedly.

Ella Hodge:

You can spend your free time to read this book this reserve. This Globalization and the Decolonial Option is simple to develop you can read it in the park your car, in the beach, train and also soon. If you did not have got much space to bring the actual printed book, you can buy the particular e-book. It is make you quicker to read it. You can save the actual book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.

Marcos Hawkins:

With this era which is the greater particular person or who has ability to do something more are more important than other. Do you want to become among it? It is just simple method to have that. What you are related is just spending your time little but quite enough to enjoy a look at some books. Among the books in the top listing in your reading list is usually Globalization and the Decolonial Option. This book and that is qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking upwards and review this e-book you can get many advantages.
