The Last Infidels (Graham's Resolution) (Volume 3) A R Shaw

What the world dreads most, happened. Now that they've achieved their quest for survival, the true reason for humanity's demise becomes ever more apparent. In her dystopian and post-apocalyptic novel, *The China Pandemic*, A. R. Shaw created a realistic world after a much too plausible pandemic collapse event. Now, the remaining survivors must face an enemy more sinister than anyone ever conceived. The story moves forward with...**The Last Infidels and the terrorists are here.**

The survivors are back in book three of the *Graham's Resolution* series. In the tiny town of Cascade, Washington, the members of Graham's camp and the Preppers welcome spring and begin to thrive as a community. Meanwhile, dark forces invade the peace they've cultivated. A common malevolent enemy of the past emerges and suddenly the pandemic wasn't what it seemed at all. **Read the ongoing thriller series of *Graham's Resolution*, Book 3, *The Last Infidels*, for the startling revelation.**

Top 100 in Dystopian and Post-Apocalyptic fiction novels. A TEOTWAWKI Prepper thriller fiction favorite.
