The Pastel Color Wheel Book. John Barber

The world's first truly interactive art instruction book. The Pastel Color Wheel Book will help anyone who wants to paint in pastels produce quality art in days. It begins with a look at the equipment you'll need to get started and then describes the basic principles of color mixing and applying color. Each project also introduces and illustrates the most important technique for the project and gives at-a-glance advise on color mixing. The color wheel on the jacket allows mixes to be immediately visible for successful paintings every time.
