**The Politically Incorrect Guide to the Vietnam War (The Politically Incorrect Guides) Phillip Jennings**

The Vietnam War was a tragic and dismal failure—at least that is what the mainstream media and history books would have you believe. Yet, Phillip Jennings sets the record straight in *The Politically Incorrect Guide™ to the Vietnam War*. In this latest “P.I.G.”, Jennings shatters culturally-accepted myths and busts politically incorrect lies that liberal pundits and leftist professors have been telling you for years. The Vietnam War was the most important—and successful—campaign to defeat Communism. Without the sacrifices made and the courage displayed by our military, the world might be a different place. *The Politically Incorrect Guide™ to the Vietnam War* reveals the truth about the battles, players, and policies of one of the most controversial wars in U.S. history.
