The Power of Your Mind

Edgar Cayce

The Power of Your Mind Edgar Cayce

"Edgar Cayce's rare mind tuned to the Universal Mind gives us extraordinary insights into the power of our own minds."

– John Van Auken

Cayce takes us to the wondrous metaphysical realms of God-consciousness and Cosmic-consciousness. He compares our human minds with the Infinite Mind, and explains how the two may know each other and work together to solve all of life's problems. In this fascinating book, the Cayce readings teach us that "thoughts are things," that may become "crimes or miracles" in our lives, and explains how by changing our thinking patterns, we can change our lives forever. Cayce also clarifies why the dreaming mind is so much more important to us than we realize. And in one special chapter you'll learn how our minds are our builder, capable of taking us anywhere we want to go—as the old saying goes: as we think, so we become.
