No logical principle of arrangement has been found for the material in this catalogue. It is hoped and believed that the copious index at the end will compensate for the comparative chaos of the text. The letters and figures in brackets which follow some items give reference to Stuart Mason's Bibliography: e.g. (S.M. 10) refers to the tenth item in the Bibliography. There is a list of these items at the end of the catalogue, as well as another list of items which are not in the Bibliography. References to "W. L." Nos. refer to Walter Ledgers Bibliography of Salome (see No. 217 in this catalogue). A few items are described as "boards with Bibliography label". These are the actual copies which Millard used in preparing his Bibliography, with the special index label which he had printed for the purpose.

Items described as with "Large book-plate" or "Small book-plate" carry one or the other of Millard's book-plates. A reproduction of the large bookplate is given below.
