A roller coaster ride of fun and sexy sci fi paranormal romance with a devilish flavor!

Astra Q Phelps is on the side of the good guys in the war between good and evil. Unfortunately for her, the bad guys have been making inroads on her soul. And when a particularly dark and sexy dark worlder fixes his heated gaze on Astra, the lighter side of her nature quickly finds itself kicked to the curb by her slut-monkey side. But Astra doesn't have time to deal with her love life. She's in the middle of a war between two dark factions...a war that just might mean the end of the human population...and it seems the fate of the world rests uneasily on her shoulders. It's a lot of pressure to put on one feisty halfling...but Astra Q Phelps is definitely...erm...certainly...ahh...possibly up to the challenge.

\*\*\*NOTE: This was previously published under the title 'Tween Heaven and Hell. It is Book 1 of a 6-book futuristic paranormal romance series of full-length standalone novels with no cliffhangers. The series is written in first person POV. This book contains some violence, a single, brief portrayal of coerced sex and the occasional sexual innuendo. The heroine in this fun series isn't always politically correct and may at times embarrass herself and bumble about slightly out of control. If you're not a fan of self-deprecating humor, you might want to give this one a pass! #:0) Happy Reading!
